“ I am saddened by the death of Ernie, he is my cousin and we were born just about a month apart. We grew up and spent a lot of time at our grandparents home in the summers and on week ends along with several other cousins. When we were younger he had a great sense of humor and was fun to be with. We hadn't seen each other for quite some time, but he and his family has always been in my thoughts. Thinking of and praying for his family. I know they will be missing him! My love to you all.

“ I was very happy to meet your grandpa. I was happy to see that he could walk you down the aisle I know this is hard but it's the best thing for all. We would not want him to suffer any longer he will be loved and missed but he will always be in your heart. just remember they will always be with us.

Your grandpa was a very proud man when it came to you. He is at peace now as he knows that Charlie will be there to take care of you. He knew everything was going to be alright in your life now so now he can rest..

I I know what it feels like to lose a father. It is hard but I know my dad is always with me and as you will as life goes on he will always be right beside you too. Sometimes I think my dad is here kicking my b*** for things can I do but he's here and love it because he is with me and you will also experienced that. Love Marlene and Steve
