“ Sending love to Robert and the whole Allsup family. Many memories as a kid over at Roberts house and Helen was always there waiting to chat to see how life was and what we had been up to. Great woman.

“ So sorry to hear of Helen's passing. As a kid I would be very excited to get to Lazy Daze for the weekend to hang out with my friend Robert. It wasn't uncommon for me to spend most of my weekend at their place playing video games, watching movies, and listening to music. Despite all those activities I would often find myself sitting at the kitchen table or hanging out on the patio talking to Helen at some point. I would tell her what I'd been up to at home and she would catch me up on what had been happening around Lazy Daze since my last visit. On occasion I'd arrive to find out that Robert was out of town visiting family or friends but still, more often than not, I'd hang out for a while to chat with Helen. I ALWAYS felt welcome in her home. I will remember with great appreciation her sense of humor and her genuine interest to talk to the neighborhood kids who came to visit.

“ We had some good and fun times with Bob and Helen and the kids years ago. Mostly snowmobiling. Bob and Helen and us took a pickup with a camper on and headed up north for a snowmobile race. Needless to say Bob and Chip were way behind. They had a good time trying. Down closer to home we all went out. Karla was on with me and I don't know what happen but we both fell off. We laid there and laughed and laughed. We had many good times. We miss Bob and Helen will be truly missed. They were best friends and we will ever remember the good times.
