Comments

“ I was planning on coming to the the funeral today, but when I started to travel to Albia this morning the roads were not good at all so I turned around. Jerry was one of the first people at Kness to befriend me. I would sit outside and eat lunch and he would come sit with me and talk to me. I enjoyed talking to Jerry. I'm going to miss seeing him and talking to him.

To Jerry's family you all are in my thoughts and prayers.

“ I didn't really know him, but I know Jimmy. He was surely a great guy to have raised a son with such integrity, kindness, and a heart for others. I'm so sorry my friend. I'm sure you made him proud.

“ I remember Jerry best with his head in a car. He came and helped me several times after Dave died and Gary was working somewhere out of town. Good guy, but lonely I thought.
Sorry for all his family.

“ Jimmy, we are so sorry for your loss! Jerry was a true friend! He was always there to help no matter the need! Jerry could fix anything! You and Angel were so good to help him. While Jerry wasn't always one to admit how he felt.....he loved his kids! And he was so proud of you! He will be missed. Bless you guys! Bill & Marcia Benjamin
