“ Betty, Mike, Vicci and the entire family..just wanted you to know that you have been in our thoughts and prayers since the loss of Mike. Dad (Sonny) and Mike spent many years on many committees together and of course the Sports Complex was at the top of the list. Sonny had very high respect for Mike. Mike was a leader, a very hard worker and always wanted to do more for Albia. Most importantly Mike and the entire family were very special to us and has always been like family. Dad was very sadden to learn of his death but we shared some great memories with each other last week as he smiled knowing Mike was at peace. The Lawrence family will always have a special place in all our hearts.

“ Betty, Mikie, Vicky and family. Tom and I just discovered the details of your loss and have been reminiscing with great sadness in our hearts ever since! Not only did we share are children growing up together but have a lot of memories of the times when we were boating, or the club's dances, and the times that we have the opportunity to fly with Mike. He was a true example of a gentleman in every sense of the word. And a person who earned our greastest respect. Please know you are in our hearts and we are sending prayers and love your way. “ All my thoughts & prayers to your family. Mike gave my husband, Jack, (a northern Iowa guy, but new to this area) his first job in Albia. It was at L& S Tools. Jack & I first met Mike through their love of flying at the Albia airport many decades ago, in the early 70s. They became friends, Jack & I have been over to Mike & Bettys home, where I met Betty for the first time. (along w/a couple of really cute lil kids, Vicci & lil "Mikey", a real ball of fire & full of energy at age 3! I loved to hear Betty talk w/ her English brogue. Shes a lively, fun & wonderful lady! (i still remember her recipe for "haggus pudding" she jokingly added to her church cookbook! When i read the ingredients. I crossed off the recipe & wrote "ick!, & unbelieavable!"- still have that cookbook to this day!

Mike, was a kind & great guy who enjoyed so many things in life. He was an excellent businessman, and was a genuine community supporter.

I've worked w/his daughter-in-law, Tonya, to obtain health assistance at times for my mother.

Mike will be sorely missed, but i will always treasure the great memories!

“ My thoughts and prays are with the Lawrence family in this their time of loss "God Bless".

The family, City of Albia, Employees and others (who didn't even know Mike) have a lost a "Great Person". A Person who dedicated his "Whole" life to not only his family and employees but to the City of Albia and the children of Southeast Iowa. It was through his efforts and others to bring the Albia Sports Complex to Reality. Children throughout Southeast Iowa and others from beyond have enjoyed this "Great Facility" for years and will for years to come. A "Noble Man" a "Quiet Man" who never asked or expected any Lime Light for what he gave back to his community. "GOD MADE A GOOD ONE HERE"! A man who had a sense of humor and could get you laughing. I remember times back playing golf with Mike and Bill Lucas in the 70's - if you didn't have a good time with these 2 guys something was wrong because they could get getting going for sure.

I also want to Thank Mike and Betty for always making our Reed Family feel at home through the years. We have had a lot of fun. I remember when my wife and I got engaged to be married back in 1977, the first place we went to tell everyone the news was at Mike and Betty house.

I will always remember this "Great Person" and what he done for all of us!

God Bless!

“ I'm saddened by the news of Mike's Passing. I knew Mike, Betty and their Son Mike through my Parents Vincent and Bonita Simmons. We had many good times at the old Albia Country Club and will cherish them forever. May God Speed and Bless his Soul. His Journey Continues. His Voice is forever etched in my Mind. A Great person and a Great Husband and of course a Great Father Figure. A Great Personality that will be missed but not Forgotten. God Bless his Soul.

“ If a person's wealth is determined by the family they leave behind and the values they have inside of them, Mr Lawrence left this world a very rich man. I only met him one time but I could tell he was a great person. I will always remember him saying how he could figure out a person from his handshake and how rough it is tells how hard they work. I hope I gave him a good handshake that day! To Mike and his great family and his sister I just met , my deepest sympathies go out to all of you!

“ I have so many wonderful memories of Mike, I wouldn't know where to start. Mike and Betty have always been more like family. They have been part of our family celebrations and events ever since I can remember. Mike was a great friend to my Dad and I remember enjoying them laughing and being ornery together. Our family was very blessed to have Mike in our lives. We love you all.
