“ Phyllis and I lived a few miles from each other during High School. I just learned of her passing. I counted her as a special friend. She will be missed, but I know she was one of "HIS" so we will see each other in Heaven.

“ We are sadden to hear about the loss of your wife, mother and grandmother. She was are mail carrier and we have missed her and did not know of her battle with cancer. She was always so nice and we do a lot of on line shopping at the holidays, so she came to our door many days with packages too big for our box, Always with a smile. May your memories help you thru this time of loss and know she is no longer in pain.
