“ Gary, with all the miles that you and Rita logged traveling to Texas because our mutual grandchildren were coming here for a visit, both of you have etched a place in our hearts, and we, too, are mourning the loss of your dear wife and companion and our dear friend. Rita was such a lovely person, always ready to join in the fun, and so devoted to her family. And, of course, the one person I could talk and talk to about our grandchildren and who was always happy to listen. Our prayers are with you and your family. May God bless and keep you.

“ Gary & Family -

Although only neighbors for a few years, Rita and I talked occasionally and she was always fun to talk with and a great neighbor. I did not know she was a college football fan until reading the obituary or we would have talked more frequently. Rita was always gracious and happy and was very proud of her family and glowed when talking about the grandchildren. She did lament the fact that they lived so far away but excitedly told me when they were coming to visit.

Rita was taken too early but I am sure she was at peace in her faith.

Sincerely,

Steve
