“ Sorry To hear about your passing. I got on Facebook earlier tonight , to see how things were going. Saw the posts on your wall. We never meet in person, we only talked. I remember the 1st time we talked it was on POF. STEPHANIE you are in a better place, what you have left us is only the memories to keep your name alive. Hopefully one day we can meet up in the after life. For only being 25 you accomplished more in that 25 years, then what any other person could do in their life time..
