“ Jeff and I have many fond memories of Loren while owning Jax Restaurant. We would always beg Loren to play and sing Jeff's favorite song Desperado. He would say what a hard song it was to sing but sang it anyway. Also we had one Halloween where he was dressed up with an old man mask and gloves on his hands. He remained silent when we kept asking who he was, but finally gave in and took the mask off! Also he was the father of Lorene (Flo) who was one of our favorite staff members. We hope you're singing Desperado for all the angels in heaven Loren, Rest In Peace.
