“ So very sorry for your loss. I am a classmate of Cheryl's and knew Alfie through her. I do remember that ornery smile of his! May you all find peace in the day ahead. R.I.P., Alfie.

“ Mary and Bunch, we are so very saddened by Al's passing and continue to offer your family up in prayer. We have so many fun memories of Al and the outings we had together! Al was so very helpful and always there when when you needed him. I recall him helping Gary put up a basketball hoop on our garage, helping us move along with so many other kind gestures. He was such a good man. May God's peace surround you with comfort.
