“ Thinking of you all and sending lots of prayers for comfort and peace during this difficult time.

“ Denise, Ann, Mary, Danny, Jim:
I remember when my brother Dan first introduced your mother to our family. Here was this pretty little (size 0) girl to meet us. In the spring, Dan asked me to be her sponsor in baptism, which I felt honored to do. Coleen was a good-hearted Christian, always remembering others. They were married the June before John and I.
When the last parent is gone, you become the oldest generation, which all five of you can handle easily. I'm sorry I can't tell you in person but be assured I am thinking of you at this time. John and I extend our sympathy.

“ *So sorry for your loss...what a great lady! I have so many fond memories of her. I think my greatest memories were being treated as part of the family and being able to call this my second home. If you woke up there on Saturday morning you got a chore list just like everyone else. Heaven definitely gained an angel!*
