“ *Sorry to see about Alice's passing. Always a joy to be around, she and mom were good friends. Alice was another of the grand ladies of her generation that taught us how to live our lives by the way they lived theirs. Craig*

“ *I am so sorry to hear about Aunt Alice's passing. She was a truly great lady. She always had a kind word, a funny tale to tell, smiling even when we tracked mud in her kitchen! I have so many fond memories of the family get togethers we had at the Gilman house. My husband and I drive by there on our way to Lake Ponderosa each weekend and I take a trip down memory lane. Running up and down the staircase, playing with whatever animals Uncle Roy was taking care of, easter egg hunts, wonderful dinners and her laughter and joy. She will be missed by all!*
