“ *Rusty, Shari, Troy, Lisa and Family- I just heard about the passing of your mother, Dave texted me and let me know. I just wanted to let you know how sorry I was to hear the news. These times are never easy, losing a parent, I have been there twice. Just hang onto the memories that you have with your mother, mother-in-law, grandma, those can never be taken away from you. Will be thinking of all of you in the coming days and pray for strength as you make the adjustment.*

“ *Annetta and I go back a long way. We spent our high school days together and she was the most beautiful girl in our class, my opinion of course and I am sure others thought so also, not just outward but her inner beauty will always be with me. My thoughts are with all of the family at this time.*
