“ Mike, Sue, Jolene, and Connie I want first to give my condolences to this amazing family.

Your mom and I met in Melrose at the Church a great meeting place.

I was new to town and had opened up my beauty shop by the post office she was one of my first patrons. She was the kindest person similar to many of the many widow ladies and others in Melrose.

I am sure that she was met by many when she passed but most assuredly by these beautiful ladies.

Mary Scieszinski, Pauline O'Conner they went lots of places together and talked on the phone several times a day, Margaret, Catherine, Ardena oh so many.

I truly loved your mom, she and I had such great conversations about her wonderful family, children, there spouses, grand children, great grand children and the great great grandchildren. She always brought her most recent pictures to show me. She was so proud of you all. She will be with you all forever and until you meet her again when she is there waiting for you when it;s your time.

God Bless you all.
