“ Carolyn, My heart goes out to you and your family at this sad time. Bernie was a great guy! We had many good racing years together, who would have ever thought that Richard and Bernie would be off in heaven together just six months apart. They're probably catching up on old times and telling big racing stories. You're in my thoughts and prayers. Joyce

“ *Sending you my condolences. I'm so sorry for your loss. Bernard was a good guy. Growing up in the neighborhood with the kids, I'd really like to be there for the funeral. Unfortunately, I'm living five & half hours away from Knoxville now and won't be able to make it with a kid in school. My thoughts and prayers will be with you. Bernard will be missed!!*
