“ *My Auntie Betty (and Uncle Bob), They were such totally awesome people!!! They had so much love to share, treated me like I was one of there own. Their smiles, hugs, kisses and the way they treated me, PRICELESS!!!! The fun times on the farm, riding horses with my cousins, walking through the vegetable fields, helping to feed the animals, the 'cool' pool table down stairs in the basement.... so many wonderful memories of two GREAT people!!! I remember the great Pies, wonderful meals and the fun house to play around in, always feeling sooooo very welsome. I'm sorry for your loss to my cousins, dad and Aunt Betty's siblings, what a great women that God has in his Kingdom right now. GF

“ *I remember so well the day the girls and I went to Albia to spend the day with Barb and your mom and what a fun time we had! I still make the potato casserole she made that day with her recipe!! There have been so many stories over the years and sometimes I feel like from the stories I know her better than I actually do! She was a wonderful lady. Please know that our thoughts and prayers will be with you and your family during this difficult time.*
