“ I feel truly blessed to have had the opportunity to spend some time with Betty during monthly St. Boniface Communion visits. She had an inner light that radiated from her, and although I know she was in pain, she always shared a smile and positive outlook. I always left our visits more filled with the Holy Spirit than when I came. She shared with me once that although she 'couldn't do much these days', she did what she could...she prayed. She told me she prayed everyday for whomever she thought might benefit. What a gift she gave to the world! Such a strong, warm, caring spirit. Since that time, I have tried to pray every day for others because of what she shared with me that day.

My thoughts and prayers are with your family.

“ Whether it was playing a game at the kitchen table or just chatting and sharing stories in the living room...Betty and Ed ALWAYS opened their door and their hearts to all who wanted to enter! A home filled with laughter and smiles. We can all learn from that. We extend our sympathy to the family.
