“ *Aunt Jo will be dearly missed. She was so good to call and check on my mom, Rose, after her brain surgery and stopped by to visit her regularly. I have many special memories of visiting her on the farm as a child and then later as an adult she always made time to visit with me when I was in town. She was supportive when I lost my Jacob and I know in my heart she is smiling with the angels and Jacob now.*
Love,
Rocky
