“ I was shocked to learn of Carol's passing. Only a few weeks ago, I had received her annual Christmas card and note. She will be remembered for her ready laugh and her beautiful smile.

“ My heart is heavy with sadness yet still filled with love with the memories I have. My aunt Carol wasn't quite a teenager when I was born so she often became my "babysitter" which created a special bond between us which lasted a lifetime. How vivid these memories are of our times together! Whether it was arguing over who got to lick the cream from the lid of the milk bottle (yes our milk came in bottles then), sledding at Spencer's farm, riding the Wild Mouse at Riverview Park in Des Moines or just riding around the square in Albia, listening to KIOA radio, eating Highland Potato Chips and checking out boys life was better with Carol by my side. I miss her terribly especially her laugh but I'll treasure ALL my memories for they are truly gold.

“ Several years ago, Carol was in a water aerobic class that I was also in at White Buffalo. She was the life of the group-always something humorous to say and so quick witted. She always had a smile and words of wisdom or humor when I saw her - mostly at sporting events. She will be sorely missed.
