“ *Dear Cleo and Bernice.*

I read about your brother's death in the Albia paper and wanted to tell you that you have my full sympathy.

Don't know if you remember me or not Bernice, but we rode the same bus to Moravia to school. I see you, Cleo, at the Moore reunions.

“ To the family of Clell; I'm sorry for your loss. I got to know Clell just lately through my history project (Foster Trestles) for my 6th grade history class @ Eddyville. I interviewed him this fall and we took a ride out to his old neighborhood then stopped by my grandmas which is near the house he grew up in. It was a wonderful experience for me to get to know Clell and hear of his experiences while growing up around the trestles and Foster. He was such a help with my project, due to his pictures and stories I made it to regionals. We just got judged last week and I was going to call him soon to let him know the good news, I'm sorry I did not get to tell him how much I appreciate his help. Thanks Clell - you were great!

“ We were very sorry to hear of Clell's death. We had a very wonderful time with him when we were last in Iowa. Phil really enjoyed the pie, coffee, and conversation at the local cafe. We have many wonderful memories of him and hope your memories will help you adjust to his loss. Our sincerest condolences go out to Mary and Jim. We will be thinking of you both in the coming months as you adjust to his absence.
