“ *I am sorry for your loss of Cliff. He drove for me several years. I agree his love for truck driving was his life style. Sorry again for your loss.*

“ *With sympathy to Cliff's family-*

We all here at U-Line where shocked and saddened by Cliff's sudden passing. He was a very interesting individual with a great spirit and sense of humor. Everyone enjoyed seeing and talking to Cliff when he came through town. Mark and Gary who knew him the most said that he was one of the best drivers they have worked with. Always cordial and never complained. Other drivers here who knew him said the same. He will be missed. Rest in Peace, Cliff!
