“ To Cory's Family,

We were shocked and saddened when our boss told us Wednesday about Cory's passing. I worked with Cory sometimes and he was a great worker. He was a different kind of guy but was very interesting to talk to. I lost my husband a couple of years ago and like Cory and all the pain he was going through at least he is pain free. I know this is a difficult time but I hope that the wonderful memories of him will give you some comfort. Please let me know about the memorial fund as I would like to contribute to this.

*Take care,

“ Dear Nancy, Jess, and Shireen, We are so very sorry to hear of your loss! We are not home at this time, so we will regretfully not make it to the visitation or funeral. We are on our way to St. George, Utah, and had talked about finding your address to visit you in Henderson!! Our hearts are just breaking. Cory was very special to us always. The years Julie and Cory danced together were fun, and he was just a cute sweet guy you couldn't help but love. He will be deeply missed by many we are sure. Our thoughts and prayers are with you. We will be in this area until the 27th, call if you are up to a visit, if you get back. You can get our number from Julie. Love, Jim and Connie

“ Dear Nancy,

I was so sorry to hear about Cory. This must be a very difficult time for you and your family. As the father of a son, I can only imagine the loss you must feel. Kathryn and I will keep you in our prayers. We can only trust in God's redeemng grace that Cory is at peace as he is rejoined with Chris, Craig, Kay and other relatives we have lost. He was such a young fellow the last time I saw him, but I remember his resemblance to Chris, his happy demeanor and his joy to be around his family. I will keep these memories. Please share my condolences with your family. I am sorry I can't be at the services this weekend but will hold you and your family in out thoughts and prayers.
