“ I worked with Craig at CARGILL in Eddyville for several years, he was one of the most polite persons I've been around. Nothing shook him and he was always positive. It was a pleasure to be around Craig he will be missed.

“ I loved my cousin Craig who incessantly teased me in a way that I enjoyed it almost as much as he did. He described me as ornery, but really he was the ornery one!
His big heart was matched by his generous hospitality. I began staying the night at Craig & Linda's home when I was about 5 years old. It quickly became one of my favorite places on earth!
Even as recently as 2015, I dropped in and spent the night with them. The coffee was always on, and there was always room for one more at the table. And yes he was still finding things to tease me about! I'm missing you fondly Cousin Craig.....see you in Heaven!!!
