“ Hello, I want to pass my condolences to Dale's family and friends. I work for a transportation company that used to take him to dialysis. I am very sorry for your loss and pray that God gives you peace, and know that Dale is at peace.

“ Dale Remy was the President of his class when I was a sponsor at AHS many years ago. He was an enthusiastic student, a good athlete, and a thoughtful student.

*I was honored when he asked me to a class reunion many years later, and presented me with a "Golden Apple" from the class.*

*It was difficult to see his health problems rob him of many things he enjoyed doing in his ageing.*

“ Dale was the best dad a girl could hope for. He taught me to fish, to hunt, and how to get them from the wild to the skillet to the plate. He was an awesome dad with a kind heart and a sense of humor. He loved his brother and his sisters, his buddies at the American Legion, his son Nick and all of his grandchildren and his friends from a lifetime.

He loved his garden, and supplied his friends and family with awesome tomatoes and sweet corn every year he planted, until his health prevented him from the physical work. He loved to hunt the wild mushrooms and took me with him to hunt them and taught me how to cook them. Dad would share anything he had with anyone who needed. I have wonderful memories of holidays with the Remy family, and with Dad and Mom. We will all miss him.
