“ *Where do I even start.... there aren't enough words to describe the kind of person Danny was. If anybody needed help whether it be friends, family, or complete stranger Danny wouldn't think twice about lending a helping hand. He loved his family & friends very much. Hanging out with Danny was always a good time & he could always make me laugh. Danny made a lasting impression on so many people & he will never be forgotten. Another good one gone too soon. Danny, you are greatly missed every minute of every single day. See ya later buddy!!*
