“ *So sorry to hear about Danny.*

I've never met any of your family except for Lynda, whom I had in my class at school. [I'm a retired teacher-----from Lincoln Middle School.] But Sarah Ann is my friend and she talks a lot about your family so I feel like I know you.

My thoughts and prayers are with you.

“ I worked at Smith Warren School in Ottumwa. Danny was one of our students. I remember Danny having a sence of humor that was so surprising because he was so quiet. I learned to love he and Keith as one of our kids. He had a sharp mind and learned so much. He was really good with Math. I have missed our kids at Smith Warren since it's closer.

I have often wondered about the Bunch boys, Keith and Danny, Everytime my husband and I drove through Lovilla I wondered about those two quiet boys that came to our school. Danny you will be missed! And God bless the Bunch family.
