“ *I'm so sorry to hear about Darin. He was a very special person; so talented-taken too soon. I'm so glad he had Carol to stand by his side, through hard times as well as good times. I know he appreciated her more than she will ever know. And I am relieved that Darin can once again enjoy music and drawing and not have any pain. I'm so thankful that I got to meet both Darin and Carol. Take care, Carol. No one could have asked for a more thoughtful and selfless caregiver. I'm not going to forget you--Joan*

“ I'm so terribly and truly sad for the loss of such a beautiful soul. Darin was considered to be a "part of my family" for years after a long-time relationship with my sister, Roxie. Words will never be enough to express the love mutually shared between all of us. Personally, I will miss his love for music, quirky sense of humor, infectious smile, and exceedingly generous heart.

Special prayers are being sent to Carol at this time; the most remarkable woman who stood by him selflessly right to the end ... and whom Darin loved wholly and completely.

With deep sadness in my heart and knowledge that Darin has a very deserved and special place in heaven.
