“ *Glenna I am sorry I didn't get to you sooner. I had eye surgery at the time of your mom's funeral. Surgery went well. But the eye meds was another story so that is why I was not in the public so I am really sorry to not have been in touch. Losing our mom is a special loss. My blessings go out to you. I pray God's blessings upon you for comfort, peace, knowledge of his grace and understanding that only he can give you. Journey with family and friends to support each other and let the wonderful memories carry you through and fill your lives with joy.*

“ We are so sad to hear about Aunt Darlene. She was one of our favorites! Whenever that Winnebago pulled into our driveway, it was always a good visit!

“ We are sorry to hear of Aunt Darlene's death. We had not seen here for several years but we had been in touch in other ways. I was born the day before her 20th birthday so we had a special time in March. We send our condolences to Glenna and Carol -- wish we could be there with you on Wednesday, but we will certainly be thinking of all of you.

Love, Karen and David
