“ Dear Beverly and Family,
Our hearts reach out to you! We are thankful for the visits we had with you and Daryl recently. We'll always remember his enthusiasm for his garden projects when he showed them to us in May and with his continuing enthusiasm when we visited two weeks ago. God bless and comfort all of you.

“ I remember Daryl spending a lot of time at our house with my brother Tom Clark. I knew they and Mike were the best of friends but also wondered if part of his being over was to get away from all those sisters. Being the only son in the family he had to be hen pecked but he always took it well. Daryl's mother and my dad were first cousins, sorry to hear about your loss. My condolences too. Clif

“ Daryl was one of my brother Toms best friends growing up in Hamilton. He always seemed to have a smile on his face, or maybe he was in on the takeover of my playhouse being used for a fort!! He was around alot in my growing up years and I felt like he was another brother. So sorry to hear of his passing. My heart goes out to Bev and all of Daryls family.

“ *Looking back at all the ball games, rabbit hunts, hide and seek, and other child hood games that we "Hamiltonian Hillbillies" enjoyed those many years ago it is so hard to express the my sadness for this turn of events. Daryl was a friend, hunting partner, trouble hunter/finder as was Pogie (Mike F.) and myself. Though our life paths hadn't crossed in many years I will always remember all those experiences (mostly fun but always entertaining) for my remaining years! Goodby old friend. Tom*
