*I worked at a real estate office for almost 8 years and Doug was a regular coming in to get keys to inspect houses and bring reports back in. He and I always had a few laughs and it just always lite up my day. Had some really good heart to heart talks. It was obvious how much he loves Carol and his wonderful canine buddies.... Carol and family, may God draw near to bring you peace, comfort and strength during this time. May a smile come to your face when precious memories come to mind. Rest in peace happy Doug and know that you made our lives happier and we're looking forward to seeing you again in Heaven!!!
