“ I got to knowing Shorty through the Eagle's Club and became close friends with him. We used to kid each other about last names being the same but of NO relation. He was a very good man with many friends. He was of the silent nature most of the time but someone you could really talk to when you needed him most. He was the kind of man that didn't care if he embarrassed himself as long as he could help you out is all that mattered to him. I'll forever cherish his memory and love him for the man he was. My heart goes out to his family and friends for the loss of an angel on earth, but now forever an angel in heaven. May the good Lord keep you all in his healing hands.

“ I would like to say to the family how sorry I am about your loss of "Shorty", I met him at some of the Eagle's conventions and district meetings. He was a very good friend and I really enjoyed visiting with him. He would always take and make me a new spindle when one in my chairs broke, he would always laugh when I asked to do it for me, he would make me beg and then go ahead and do it for me. He always had a smile on his face. I am going to miss him very much so I want to extend my prayers and blessings to you, his family. My thoughts are with you as you go through your mourning and know that GOD is with you as well with Shorty. God bless you all

He never changed as the years went by. Seeing him every several years as our Class Reunion would come around made for Delightful Chats and great Memories...
