“ *John and Charlie,
I was a nurse with Dr. Orelup and later with Dr. Randall so I was involved with "Eddie Bob's" healthcare over the years. Needless to say, we usually had interesting conversations during his clinic visits! I also took care of your mom...a very kind woman.*

*I am sorry for your loss.

“ *Charles and John, I'm so sorry to hear about Eddie. I've thought of him many times over the years. He was a good kid and have wished many times that I had been more understanding, but sometimes kids can be cruel. I hope he was happy and felt loved. My thoughts are with you.
