“ *To the family of dear Grandma Ellen. She will be missed so much by myself and family. Such a wonderful babysitter, aunt, and then pretend grandma! I could only wish I could find a babysitter for my own children like Grandma that took care of us for years, and treated us like her own. Much love to the entire family, and how I wish I could make the trip. May God be with you, and heal you. Love, Latisha, Nik, Preston, Alexyss, and baby #3 on the way!*
