“ Just found out that Meme passed away, while trying to find ways to contact her through Internet...

In 1982 I was an exchange student at Richard and Donna's home and never forgot her loving way, all the things I learned from such dear and special family and specially from her.

I will always remember you, Meme, with lots of love and thankfulness, and there will always be a prayer for you in my heart. My sincere and deep condolences to the family.
