“ Hi Helen, Stevie, and Georgie!!!

*It sadden me to hear about your loss. It is a part of life that is hard to go thru.*

*The picture you have chosen brought a smile to my face and brought back a lot of memory's of running around the farm, feeding pigs, catching frogs, riding on the hay rack and riding in the back of the pickup, eating good food, milking cows, eating good food, crawling around the hay mount, and did I say eating good food? There are so many good memories that were made possible by Big George. Your family was such a big part in my younger years. The years have passed without any communication. BUT THE GOOD MEMORY'S ARE STILL WITH ME.*

*May the Peace of God be with you.*

“ *Our sympathy and prayers go out to the Teno Family. George was always a great guy. Got to know the family through my dad John Comer who worked with George and Jim Conley. Before Jim's boys grew up to take over the company these three guys worked together on many projects in Monroe County, and always seemed to have a great time doing it. George was actually a pall bearer at my dad's funeral, that is how much he and my mother thought of him. My mom and Helen worked many church functions together and I was always friends with the boys. Sorry we can not be there for the funeral but will keep you all in our prayers and I am pretty sure George and Dad are building something up in heaven now, and looking out for all of us.*

“ *I am so sorry for not being able to say good by or we will miss you, For the years that have passed, and the feelings that have keep us apart where such a barrier between our family's. Only God Knows the true fillings we have and as you set there with him you to will see how much all our family's have lost by the actions we all have taken. May this passing help bring us back to gather as a Loving family unit as it once was. May the Lord Bless and look after your family and the Grace of God be with us all.*
