“ To Family members:

So sorry for your loss. My thoughts and prayers are with you.

I will not be attending your visitation as I'm now on oxygen 24/7. I had a fluid 'build-up' and am also on Lasix, daily. So don't think I should appear in public just yet. Must get used to this 'new equipment' for me right now. However, I'm doing fine as long as I use the oxygen, which will be for a while.

Sincerely,

Wilma Templer
