“ Gerry Jo and I worked together at the old hospital in the early 70s. She was a good aide, but even more she was a good friend and a lot of fun. It's been forty years since I saw her last, but her memories are still fresh in my heart.

“ Judy, Sue, and Ed;
Gerry Jo and my sister Sue were friends when I was a little kid, so I knew her for a very long time. She used to make me laugh all the time because she was so bubbly and funny. She used to tell me how cute I was which was very embarrassing when you were a couple of years younger than those girls. I am so sorry for your loss, and I hope you only remember the good times you had with Gerry Jo. Jack Scieszinski

“ *Dear Murphy Family*

We had so many great memories growing up together. And Gerry Jo was right there in the middle of them all. She took care of all of us. Right after mom died I called Gerry Jo to talk. My grandson asked me who I was talking to and I automatically said "Aunt Gerry Jo". I went to correct myself and she said - Aunt Gerry Jo is who I am - put him on the phone.

That is who she was - Aunt Gerry Jo who took care of all of us - just that reassurance that we are still family and will always take care of each other. Know that Michele, Evelyn and I are here to take care of you.

Love Vicki
