“ Mary,  
Karen messaged me about your father. I have so many memories from our high school days at your house. I remember when your folks were gone and Barb and John stayed with you. I spent the night. I ran out of chap stick and you let me use Vaseline. You told me Barb always used it on her lips. To this day I use Vaseline on my lips.

*You and your dad always had a close relationship. He was a very special man. I am a better person for knowing him.*
