

Hjalmer August Lindberg

April 7, 1935 - October 19, 2017

Hjalmer August Lindberg 82, of Albia, Iowa went to be with his Lord and Savior October 19, 2017 at Monroe County Hospital.

Hjalmer was born April 7, 1935 at Kirksville, Missouri to Hjalmer August Sr. and Inez Alice Thiele Lindberg. He graduated from Kirksville High School Class of 1953. He attended Kirksville State Teachers College and graduated with a Bachelor of Science Degree in Business Education and later received his Masters Degree. While in college he was active in the Baptist Student Union and served as a summer missionary in 1956 in Wyoming, where he directed ten Vacation Bible Schools in eight weeks. Hjalmer was united in marriage to Emma Josephine Kittle of Gorin, Missouri on August 24, 1956 at the First Baptist Church in Kirksville. They were blessed with five children, ten grandchildren and 16 great grandchildren. They celebrated their 59th anniversary together before Josephine's passing in 2015,

In 1957, Hjalmer came to Albia for his first High School Business teaching job and held that position until 1966, when he became a counselor at the high school and later at the middle school. He retired from teaching, counseling and float building in 1997. He continued substituting at Albia, Moravia, Chariton, Eddyville, Blakesburg and Ottumwa Schools until 2014. He sincerely loved young people and very seldom missed a day of school because of illness.

He worked hard all his life, taking over the responsibility of the small farm after his father-in-law was unable to do the work. He loved being outdoors, gardening, tending his animals, watching the birds and all of God's creation. He took pride in keeping his surroundings beautiful and enjoyed being with his children, grandchildren and great-grandchildren as often as possible.

Hjalmer was a charter member of the First Baptist Church in Albia, where he served as deacon, trustee, Sunday School teacher of youth and Royal Ambassador Leader for many years. He was also a dedicated member of the Gideon's International for over 40 years, speaking in area churches to share how people can help provide Bibles that are placed in motels, hospitals, care centers, jails and other facilities all over the nation. He truly loved visiting residents in the nursing homes and was never happier than when he could be of help to a friend or family member.

He is survived by; one daughter, Jollette (Don) Boyer of Chillicothe, Missouri; three sons, Brian (Barbara) Lindberg, of Unionville, IA., Dr. Bruce (Deena) Lindberg of Ottumwa, IA., and Dr. Brent (Belinda) Lindberg of Bloomfield, IA; nine grandchildren, Megan (Andrew) Wilson, Abbey (Ben) Feller, Dr. Chad (Andrea) Lindberg, Dr. Cory (Holly) Lindberg, Randa (Joe) Austin, Erin (Brad) Fields, Jessica (Logan) Johnson and Camden and Crew Lindberg, 16 great-grandchildren; two sisters, Pearl Miller and Evelyn Falls. “ Mr. Lindberg was one of those exemplary teachers who made getting an education a life long shared experience. His sincere interest in all of us students was very apparent. Both in class as well as the life long supportive contact he so willingly made with us and our families.
He was always there if at all possible, be it a class reunion celebration or the loss of a loved one. We're grateful to him and to all of his family, for sharing him with us. You are in our thoughts and prayers.

“ Jollette, Ryan, Bruce, Brent, sisters Pearl and Evelyn and other family members and friends; I too have now known one of the Greatest Christains of my life; Mr. Hjalmer A. Lindberg! I've known H.A. since our days in Jr. Sr. High School in Kirksville. As a member of his wedding ceremony I have closely followed his teaching of numerous school students in Southern Iowa near Albia. His leading community activities, as well as ministering to hurting members of society daily or when able to encourage others in his walk through many of lifes situations. He was always willing to help others! He and Josephine are waiting for you on Heavens Shore. Plan to go see them again! Always remember his words of wisdom. Have a good day.

“ I have so many memories of Mr. Lindbergh. One in particular, being disabled he was one who was always there to lend me a hand in middle school, specifically up the stairs. He always had a smile, a joke or a tune to lighten my day. One that comes to mind is little diddy about paper dolls. I delighted in his quirky nature.

Now I'm sure he's reuniting with his loved ones in celebration and laughter. Rest in least dear gentleman.

“ I have so many memories of Mr. Lindberg. He was such a gentle and kind man. He would talk to me and ask me questions and I could see in his eyes he really cared. Mr. Lindberg was my Shorthand teacher in High School. It was a small class with a bunch of silly girls. Somehow we encouraged him to take the shorthand class on a Field Trip. He finally agreed on a non-school day, giving up his day to be a chaperone to our Shorthand class to Adventureland. He took a large van and we all piled in. We were on the interstate and the new "65 MPH" signs were just put up. We took photos of the signs out of notoriety. Mr. Lindberg turned on the radio as we headed to Adventureland. There was an announcement that Floppy would be at one of the Malls in DesMoines. We pleaded with him to take us. He, being such a good natured man, found an exit and took us to the mall. We ran inside only to have found the area where Floppy had been, but had since departed . He said, "Sorry girls, looks like Floppy has left the building." We went back to the van and on our way to Adventureland. Mr. Lindberg was such an agreeable easygoing person. He joined right in riding the rides with us and going to the Magic show, where we placed him front and center to have a person serenade him. He was beet red, but we knew he enjoyed it. He has always held a special place in my heart. I will never forget his gentle spirit. He truly cared about others, young and old. He would go the extra mile and give of himself for others. Heaven has gained an amazing man. <3

Your father was a very kind, soft spoken, caring man. He was so good to visit those in the hospital and nursing homes--for many - the only visitor they had. “ I will always remember Mr. Lindberg such a great man ! I was always excited to have him as a substitute in school one thing that never left me and others may agree is he would draw a bunny on the boards at school and it would say "every bunny missed you " this was for the teacher who was gone lol it was cute looking back on it! I also volunteered when he asked for help with the st.judes fundraisers usually consisted of bikeing to Avery for a good breakfast by the church ladies. I'm going to sure miss him but I'm glad I'd have the pleasure of knowing him.

“ Hjalmer was the first person in Albia to make us feel at "home". In the literal sense he gave us a place to call home by providing us with a rental house, but also by introducing us to people in the community, involving us in community events, and always having a smile on his face every time we would pull out of the driveway that we shared on the farm. He was a very special man that accomplished so much in his life. He will be missed. We will be making a donation in memory of him to St. Jude's Children Hospital, which we know was so important to him. We send our thoughts a prayers to his family and we are thinking of you all.
