“ *Thinking of you today as I just happened to open the Ottumwa Courier's website. I hope the your mom went peacefully and did not suffer long. Your family has expanded to grandchildren and son/daughter-in-laws. Although I don't travel to Albia often, I do take a few minutes to cruise down Benton Avenue East when the opportunity presents itself. I have many great memories of your family and the friendship we shared as neighbors.*

*You have my deepest sympathy, and I know you have a network of friends and support in the community.*

*Take care.

“ *We are in Arizona and would not have known about your Mom (and Mary's aunt) passing away if my sister Elaine hadn't seen it in the Creston newspaper. We will not be there with you but want to let you know all of your family has our deepest sympathy and our thoughts and prayers are with you. Mary & Floyd Magers*
