“ *I used to work with J.B. about 4 years ago. And I was sad when he quit. I always enjoyed working with him. I got a kick out of J.B. and he could always make me laugh. There are not a lot of people that could match his kindness and character. He was always willing to help and would do anything for about anyone. I am sad to hear about hi passing and wish you my condolences. He will be missed.*

“ *Thoughts and prayers for Roben & Ellie -- He will be missed - that's for sure! Such a talented carpenter. And yes, he was ornery - one of the many reason's we loved him.*

“ You will be missed my buddy. You was always here for me when I needed something done. Watching basketball games and some football won't be the same now with you gone. Will miss you for a long time but I know you are at a better place no more pain and suffering.

Love ya, Barb
