“ My wonderful memories of Jim were the fun times at my mom and dad's. Those times together were so much fun and I can replay them in my mind. Sharon and Sheila, if we could only live life as fully as Jimmy we would have no regrets. I wish that I could be there to give you both a hug and kiss and let you know how much all of you were part of my growing up years. As it has often been said "my memories of Jim are priceless." God bless you. Love to you both.
