“ *Grandpa I know in my heart you and grandma are finally reunited... I wish I could of met her, that way when people say I remind them of her I would know in which way. I have two beautiful little girls now. I at least know that you and grandma would love their names my oldest daughter is 5 next month her name is Harmony, and my youngest daughter is 7 months this month and her name is Melody. There is so much I wish I could tell you, but there is just not enough hours in the day to write... I wish I could have had one more day to spend with you. I know there is a lot that happened in the past they I was not proud of but I just wish u could of met me now, all grown up I wish I could hear you say you are proud of me and your proud of the person I have become. But I have one request please be near us that way you can see for yourself and never miss a thing... I love you grandpa and I love you too grandma!!!! Sincerely Your Granddaughter Dawn M. Wilson*
