“ *Doran and family. I was so sad to hear of Jane’s passing. Jane was such a kind and wonderful lady.*

Doran and Jane were our Lovilia neighbors for many years. Amber and Josh thought so much of them and so did I. I knew Jane kept a watchful eye on my 2 as they walked or rode their bikes past her house to school or uptown with about 10 other neighborhood kids. They also liked stopping by to check out the rabbits. Jane always had time to stop and talk whenever I saw her.

Thank you for all the good memories Jane. You will be missed.

“ *I think of Aunt Jane every time I watch a musical, particularly Judy Garland. I have so many fond memories centering around her kitchen table, whether it be a meal, playing cards, or more recently, a cup of coffee. I will remember her always as humming a little tune as she cleaned or house, always ready with a smile and a laugh. Our world certainly has gotten dimmer, but I tell you Heaven is certainly shining brighter with her light. May God comfort all who love her.*
