“ We met Jan when I(Twila) was working at McCord Manor. She was my mentor and a friend to both of us. When our first baby arrived Jan brought him an outfit in a size 2. She said he will be in this before you know it. And she was right. The first Christmas for him, here comes Jan, Misty,Bobby and Sheila with this huge stuffed dog. Have some really great pictures of that. Jan was a great nurse,a great human being. We are truly saddened to hear of her passing. The world was a better place with her in it.
