“ Janet you were one of a kind! I can't even express what you have meant to me through the years! All the advise you gave and love you showed! You came into my life as I was a teen in high school and even though things changed you remained in my life through out the years! I will always remember your spunk and sassy style that caught everyone's attention ! And when you came to take care of me for two weeks after Adam was born. The many games of Phase 10 Skip Bo and UNO. Your laughter and smile will forever remain in my heart! Those we Love remain with us,for Love itself lives on.Cherished memories never fade,because a loved one is gone.Those we Love can never be,more than a thought apart.For as long as there is a memory,they'll live on in our heart.
