“ *My heart is so saddened to hear of Jenny's passing. She was a wonderful and caring person who will be in my thoughts forever. Jenny loved my parents so much and was always there for them. I remember many trips to Albia to visit Anna Mae, and Jenny was always there to share with us! May God ease the sorrows of her family at this most difficult of times. Rejoice in your fond memories and know that she will be truly missed...*

“ *We are very sorry to hear of the loss of our niece, Jenny. She was a great girl and so much fun to spend time with on our many visits home to Albia. We especially enjoyed the many "picnics on the bridge" that she helped organize. We will miss her.*

“ Heaven is rejoicing at the coming home of such a sweet person. From all the comments in her memory book, she was loved by everyone. I knew Janice in high school but moved away after graduation and didn't have much contact with her only through class reunions and that contact was so wonderful! I'm so glad she didn't have to suffer any more than she did. God is so merciful!!

“ I am so sad at the loss of my first cousin. As a small child I spent time every summer in Albia and Jenny, Cheryl and Bobby were so kind and generous with their time and love. I would cry every time I had to leave them. Last summer Jenny and Cheryl were able to visit me in Washington. I got to spend hours talking with Jenny, learning about her life now and how much she loved all her kids. She was truly a wonderful person. I was hoping to see her again in Albia. I'll never forget her.

“ Janice and I became close friends 10 years ago when I moved back to the Albia area. We visited on the phone and met often for coffee or to share pancakes..She was my "right hand girl" in the planning of our class functions. My heart is aching but I would not want her to suffer anymore. I know my loss is heaven's gain and that we will meet again over a cup of coffee..

“ Wishing there were something that one could do or say, to ease these hours of sorrows and comfort you today. But may it help just knowing that others truly care, and that sincerest sympathy is with you everywhere. May all the good memories help you thru this time.

“ Jenny was a very special person that I had met only a few years ago while visiting family with my husband, Kevin in Albia. She was always so kind to us and inviting when we visited with her and Uncle George. My last memories of Jenny are when we visited for the Fourth of July week this year, and I sat with her and looked at our wedding pictures. Of course I also remember how much she enjoyed the awesome fire works display. It didn't take long to understand that family was very important to her. Our thoughts and prayers are with all of you who were close to her and will miss her so very much. Love to all. Paula and Kevin

“ It breaks my heart to see my brothers heart broke that Janice had to leave us. We worked together at Kits Cafe in the 60's and she was fun to work with and a friend all these years. Easy to talk to and with. Lots of wisdom to share. Love overflowing if you wanted it or needed it. Never would let you do things for her it was always George is taking good care of me. We are doing just fine. And he did take great care of her. Sweet couple. So sorry George. So sorry Patty and all the rest of the families. God Bless you all as you go down the path of Memories to help you cope and remember the best of the best. Love and Blessings. Lois

“ Have many shared memories of Janice and times in Albia growing up and being in the class of 1962. As time moves on what seems as important as where we came from is who we became. Janice is a friend to be proud of and to be greatly missed. I was so happy to hear she was able to attend the class lunch recently. Prayers and warm thoughts to all her family and friends.
