“ *Mrs. Bernard--I am so sorry for your loss. I enjoyed meeting your husband the times I've come back from Washington to visit. It is comforting to know there is peace, life eternal and ultimately reunion with those we love in Christ. You and your family are in my prayers for God's peace and comfort--with love, your 2nd grade student Deann (Stewart)*

“ *Arlene, you and your family have our deepest sym pathy. We know you both always enjoyed the Munterville Swedish suppers as much as we did. Albert (and his Dad) were long time customers of Goode's and Roemerman's when John worked there.*

“ To Sandy & all of her family,
It's so difficult to lose a parent but with all of the sufferings that your Dad went through you can take comfort in the thought that he is at peace and in no more pain. My thoughts and prayers are for you and your family for the healing that you all will need.
