“ *I'm so sorry to hear of John's passing. I remember him as always in good humour, loving to tell a joke in his beautiful accent. There are so many of that family now gone; and I hope they are all gathering there, pulling up chairs to tell a story or two.*

“ *I wish I could have attended John's funeral, but I live in NC, and could not possibly attend. My sympathy to the families, and I am one of his many cousins who used to visit the farm when he lived there. John was a good man, and lived a good life. Rest in Peace, old friend...*
