“ *David, Lillie, Davida and families:
I was so sorry to hear about your father's passing. I remember going to your parents' house one time before church. We had coffee with a scoop of ice cream in it! Much better than milk!
Know that we will be praying for you as you grieve.*

“ *I was so sorry to hear about your dad's passing. He was a wonderful man. I always looked forward to seeing him in Earl May in the spring when he was buying his garden stuff. I was impressed that he always remembered me and asked after my family. He lived a good life and can be an inspiration to all of us. You're in my prayers.*
