So sorry to hear about Judy's passing. I went to high school with her and we were good friends. I haven't seen her for several years, but I will always remember the fun we had in high school.

“ Judy and I go way back. She was such a nice girl and grew into an even nicer woman. I knew her from when she was a little girl...our mothers were friends for many years and we children played together. Her brothers were good friends of my brothers. Judy and I also had daughters who were in the same class in school and sons who were also. We shared many school functions and many memories. She will truly be missed by many. I am so sorry for your loss. My thoughts and prayers are with her and her family at this time of great sorrow.

“ Amy and family,
Were or were do I start, I was so sad to hear of Judy's passing. She was a very special lady and a lady I remember as a neighbor, friend, family and customer. From a child Judy and family have been in my life, Amy a friend who I know the pain you are going thru. I wish that I could tell you that it will get easier but after almost 9 years I still miss Mom like it was yesterday that she passed. Rememeber your memories and cherish them. Have faith in knowing that she is in Heaven with the other special angels gone before her. She is loving life and always just a thought or prayer away. She is watching you and her grandchildren everyday. Continue to love her and talk to her it helps ease the pain. My heart goes out to you and your family and know that there are alot of people who share your loss. Thank you for sharing your Mom with me and others. Love ya,

“ John and family, Janice, & Jerry,

I am so very sorry for the loss of Judy. I can not believe I am posting another sympathy message for your family. Words can not express how sorry I am for your family. Janice, I was remembering when I would stay at your childhood home and Judy would get riled at us about our "antics". She was the wise one! I wish you all strength, love, and peace.
